SUBJECT.

Construction of a cholera shed at Chitaldrug

The Dy Coms of the Chitaldrug District submits a ratification of Sanction dated 15: August 1895 for constructing a cholera shed at Chitaldrug at a cost of Rs 199 The Dy Coms proposes to meet the cost entirely from the D. F of the Chitaldrug Circle according to the existing practice. which has ~~been in vogue~~ ~~here recently~~. ~~Is there any~~ ~~to be any objection~~

2 The following are some of the precedents -

(a) A cholera shed was constructed at Krishnarajapur at a cost of Rs 400, a moiety of which being met by the C & M Station Municipality and the other moiety from the Municipal funds of the Bangalore City and the D. F of Bangalore in the proportions of 1/4 and 3/4 respectively (Vide Pro of 20/9/87 no $\frac{3643\cdot6}{191}$).

(b) A sum of Rs 200 was paid from the D. F. of Shimoga for the construction of a row of guarantine huts under Govt Pro of 17/12/88 no $\frac{5047\cdot9}{164}$

(c) In Pro of 15/7/95 no $\frac{739-41}{181-94}$, it was ordered that the cost of constructing a cholera shed at Shimoga should be met from the Municipal funds of Shimoga and the D. F of the District.

3 It has recently been ordered in Govt Pro dated 20th June 1895 etc $\frac{24409-18}{G-J\ 319\ 92}$. that cholera charges, which used to be met from municipal and D F, should hereafter be met from Provincial Sanitation Medical Budget As the order does not clearly lay down that charges of the kind referred to by the D Com of Chittaldrug, viz cost of construction of cholera sheds, should also be met from the Medical Budget, orders are solicited as to whether the cost may also be debited to the Medical Budget. In this case orders have to be issued from the Medical Branch. Submitted

Aug 21/1895

As Sanitary charges such as the Cost of disinfectants, which are a primary & most legitimate charge upon D. funds have been ordered to be met from Provincial, a cholera shed where sick patients would be regularly treated by medical officers should appr. therefor be met from the Medical Budget. JP.

Sub. 27/8/95

In the draft Order of Govt No 2430-2 Z.F. 16-95 of 19.8.95, the N. Comr has ruled that the cost of the cholera sheds should be debited to the Med Budget, altho' the cost of medicines, &c. &c. shd be.

The cost of such structures shd therefore, in my opinion, be paid from the D. F.

The application must further set forth the amount & DF funds may be drawn by warrant

3/9

As the cholera shed is to be put up just outside Colintaldray town with a view to affo Special protection to the municipality, the cost may in accordance with the latest precedent in the subject contained in Pro 739-42 of 15 July 1895 passed by the Councillors be met from municipal & D. funds ~~to be met~~ from in the proportions of 1/3 & 2/3 respectively. The draft order of 19.8.95 referred to only says that cost shd not come from the Medical Budget. 3/9/95 JP.

of the towns-people, the cost of the C. J. S should be charged to the Municipal funds of D. T in the proportions of $\frac{1}{3}$ and $\frac{2}{3}$ respectively, instead of to the D T entirely as proposed by the Dy Comr. The portion debitable to the D. T will, as proposed, be met from the provision of Rs 3000 made in the current year's D. T Budget of Chetaldeng under the head "Civil charges VI Conservancy and Sanitary charges". The Dy Comr is requested to point out the source in the current year's Municipal Budget of Chetaldeng, from which the quota payable from the Municipal funds can be met.
